Shareholder: How about the proportion of service income, the work of Pinthong Industrial Estate and 5G?

Mr. Harin Upa, Director and Managing Director of DCS: The service continues to receive revenue from 2016. The work of Pinthong Industrial Estate is still in the preparation of working team,

expected to start earning in the end of 2017. Since DCS has customers in 5G business, therefore, it is likely that the income from this work is reasonable.

Shareholder: Does the development and growth of Cloud Technology affect the company's business?

Mr. Harin Upra, Director and Managing Director of DCS: There are both positive and negative. The positive effect comes from the fact that the company, as a Cloud Technology distributor, will earn more. The negative effect was a result of the decline in On Premise sales.

Shareholder: Acknowledged and no further questions.
